## EXPERIENCE

### Daveshoope Webmasters, Uyo — Tech Educator

SEPTEMBER 2020 - JANUARY 2021

- Guiding and tutoring children between ages 6-15 on programming with HTML and CSS.
- Tutored the children on how to use tools such as code.org, scratch and Kodu, aimed at developing creative thinking and problem-solving abilities while focusing on programming.

### Daveshoope Webmasters, Uyo — Intern

JULY 2019 - DECEMBER 2019

- Acquired skills in hardware programming using Arduino and MatLab.
- Tutored the children on how to use tools such as code.org, scratch and Kodu, aimed at developing creative thinking and problem-solving abilities while focusing on programming.

## EDUCATION

### University of Uyo, Uyo — B.Engr in Computer Engineering

2015 - 2021

## PROJECTS

### <https://pyeflex.netlify.app/> — Movie listing application

- Responsive front-end across viewports created with Bootstrapvue and Vue
- Used Axios to fetch API data from TMDB - for movie listing and YouTube API - for viewing movie trailers.
- Archived scalable state management and centralised data storage by integrating Vuex.

## Skills

Internet Surfing

Time management

Self-learning

Teamwork

## Referees

### Ante Okon Esang

Software Engineer at Sycamore

08122749596

### Samuel Umoren

Frontend Engineer at Fress
